

AGREEMENT BETWEEN THE STATE COMMITTEE OF
PSYCHOLOGISTS AND DONALD L. SORENSON
REGARDING DISCIPLINE OF THE LICENSE
OF DONALD L. SORENSON

I

Come now the State Committee of Psychologists and the Donald L. Sorenson and enter into this Agreement for the purpose of resolving the question of whether Donald L. Sorenson's psychology license will be subject to discipline.

Donald L. Sorenson (hereinafter "Licensee") understands that this Agreement is in lieu of a trial-type hearing of the charges by the Administrative Hearing Commission where he would have the right to appear and be represented by legal counsel; the right to have all charges proven upon the record by competent and substantial evidence; the right to cross-examine any witnesses appearing at the hearing; the right to a decision upon the record by a fair and impartial administrative hearing commissioner concerning the charges pending; and, subsequently, the right to a disciplinary hearing before the State Committee of Psychologists at which time evidence in mitigation of discipline may be presented; and the right to a claim for attorneys' fees and expenses. Being aware of these rights, the parties knowingly and voluntarily waive each and every one of these rights and agree to abide by the terms of this document,

in lieu of proceedings before the Administrative Hearing Commission.

II

Licensee hereby stipulates with the State Committee of Psychologists to the following facts:

2. The Licensee is licensed by the Committee as a psychologist, License No. PY00710. The Licensee's Missouri license is inactive;

3. Licensee was convicted of feloniously taking indecent liberties with the privates of a person under the age of 18 years on or about June 28, 1966, Case No. 12742, in violation of Wisconsin law. Licensee misrepresented to the State Committee of Psychologists that he had never been arrested or charged with any crime other than a traffic violation on this initial application dated May 1, 1978;

4. Licensee was also convicted of deviate sexual assault, a Class C felony, on or about August 15, 1989, Case No. CR588-916F, in Missouri;

5. Licensee took indecent liberties with a child under the age of 18 years and committed deviate sexual assault upon another child;

6. Cause exists for discipline against Licensee's psychology license pursuant to § 337.035.2(2), (3), (5), (6), (11), and (13), RSMo 1986.

III

In light of the foregoing stipulation of facts, Licensee and the Committee hereby consent and agree to the following disciplinary action to be imposed against License No. PY00710 effective the date this document is signed by the Committee:

1. Licensee's license is revoked;

2. Licensee shall submit all copies and originals of licensee's psychologist license, wallhanging, and wallet certificate to the State Committee of Psychologists within thirty days of the effective date of this agreement;
